CALGARY, June 30 /CNW/ - Artevo Corporation ("Artevo" or the "Corporation") (TSX Venture: AEV) is pleased to announce that it has closed on a portion of its previously announced private placement (the "Private Placement") for aggregate gross proceeds of \$400,000. Pursuant to the closing of the Private Placement, the Corporation has issued 400,000 secured debentures (the "Debentures") of the Corporation and 133,333 common share purchase warrants (the "Warrants") of the Corporation. The securities issued will have a hold period of four (4) months from the date of issuance. In connection with the last closing of the Private Placement, commissions of \$12,000 were paid. To date, the Corporation has raised gross proceeds of \$1,060,000 pursuant to the previously announced Private Placement and issued a total of 1,060,000 Debentures and 353,333 Warrants.

The Corporation also announces that it has reapplied to the TSX Venture Exchange ("TSXV") to offer for sale the amount remaining of the \$4,000,000 principal amount of Debentures previously announced in the amount of up to \$2,940,000 of Debentures to be issued on the same terms as the initial Private Placement. The Debentures will have an interest rate of 15% per annum payable monthly and will be secured by a general security agreement registered against the assets of the Corporation. For every \$3.00 of principal amount of Debentures purchased, subscribers will receive a Warrant, with each Warrant entitling the holder thereof to purchase one common share in the capital of the Corporation (the "Common Shares") at an exercise price of \$0.10 per Common Share for a period of one year from the date of issuance. The Debentures will have a maturity date of two years from the date of issuance and will not be redeemable by Artevo during the first year. The Corporation may redeem the Debentures during the second year thereby incurring a penalty of 3% of the principal amount of the Debentures. Artevo may pay a commission of up to 6% cash to certain introducing parties in respect on the sale of Debentures.

The proceeds made available through the previously announced sale of Debentures and the remaining private placement will be used to launch nationwide revenue streams that are ready for deployment, initiate offline and online marketing strategies, evaluate potential opportunities for acquisition, and for working capital to fund ongoing operations of Artevo.

Artevo is a technology driven company focused on the production, marketing and distribution of collectable fine art products.

The Corporation is headquartered in Calgary, Alberta. For further information contact Christopher Talbot, the President and Chief Executive Officer of Artevo at (403) 244-8123.
